**Three Rivers Electric  
Cooperative Attention:  
Scholarship Coordinator  
P.O. Box 918 Linn, MO  
65051**

Three Rivers Electric Cooperative is pleased to announce the Gilbert G. Hilkemeyer Scholarship. The scholarship was established in 1990 in honor of former manager Gilbert Hilkemeyer to aid students of members within our service area who want to attend college or learn a skill in a vocational institution. Eligible schools include public or private universities, junior colleges, and vocational schools within the state of Missouri.

# About The Scholarship:

Five \$2,000 scholarships will be awarded. A three-person committee will review all applications, interview the finalists and then choose the scholarship recipients. Applicants are scored based on financial need, other requirements and interviews. Requirements are listed on the application.

Eligible students are high school seniors whose parents or guardians are members of Three Rivers Electric Cooperative

## Award Process :

Three Judges from outside Three Rivers Electric Cooperative will review all applications and ask that the top students attend an interview. Interviews will be in person at Three Rivers Electric Cooperatives headquarters office in Linn on a date decided by the judging team. Students chosen as finalists must attend the interview to be considered for the scholarship.

This scholarship will be awarded at the co-op's August membership meeting. Through this program, the Cooperative gives back to you, the member, by investing in the future through the next generation.
